About the Book

Home for Harley is a heartwarming and inspiring story about a woman who finds healing and redemption on a cross-country road trip with her beloved dog.

After the sudden death of her husband, Debbie Tremel was left heartbroken and lost. She had always dreamed of traveling the country with her husband, but now she felt like that dream was gone.

One day, Debbie met Harley, a stray dog who had been hit by a car. She took Harley home and nursed him back to health. Harley quickly became Debbie's best friend and constant companion.

Together, Debbie and Harley embarked on a cross-country road trip, visiting all the places that Debbie and her husband had always wanted to see. Along the way, they met new people, learned about themselves, and found healing from their grief.

Home for Harley is a story about the power of love, loss, and redemption. It is a story that will inspire you to never give up on your dreams, no matter how difficult life may seem.

Excerpt from the Book

"I looked down at Harley, who was sitting at my feet, his tail wagging slowly. He had been my constant companion on this journey, and I knew that he had helped me heal in ways that I never thought possible.

"Thank you, Harley," I said softly. "Thank you for being my friend."

Harley looked up at me and licked my hand. I smiled and hugged him close.

"I'm home now," I said. "I'm finally home."
