Bashar Al Asad has been the President of Syria since 2000. His rule has been marked by political unrest, civil war, and international intervention. This article provides a comprehensive overview of Bashar Al Asad's rule in Syria, examining its history, political context, and the ongoing conflicts that have shaped the region.

## **History of Syria**

Syria has a long and complex history. It has been ruled by a variety of empires, including the Romans, the Byzantines, the Arabs, and the Ottomans. Syria gained its independence from the Ottoman Empire in 1918. After a period of French rule, Syria became a republic in 1946.

In 1963, the Ba'ath Party came to power in Syria. The Ba'ath Party is a secular, nationalist party. It has ruled Syria ever since. Hafez Al Asad, Bashar Al Asad's father, was the President of Syria from 1971 to 2000.

## **Bashar Al Asad's Rise to Power**

Bashar Al Asad was born in Damascus, Syria, in 1965. He is the son of Hafez Al Asad. Bashar Al Asad studied medicine in Damascus. After his father's death in 2000, Bashar Al Asad became the President of Syria.

Bashar Al Asad's rule began with a period of relative stability. He implemented a number of economic reforms. He also tried to improve relations with the West.

## **The Syrian Civil War**

In 2011, the Syrian Civil War began. The war began with protests against the government. The protests were quickly met with violence from the government. The violence escalated into a full-scale civil war.

The Syrian Civil War has been a complex conflict. It has involved a number of different factions, including the government, the rebels, and the Islamic State of Iraq and Syria (ISIS).

The Syrian Civil War has had a devastating impact on Syria. It has caused widespread death and destruction. It has also displaced millions of people.

### **Bashar Al Asad's Role in the Syrian Civil War**

Bashar Al Asad has played a key role in the Syrian Civil War. He has been accused of using chemical weapons against his own people. He has also been accused of supporting ISIS.

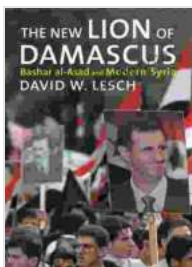

Bashar Al Asad has denied these accusations. He has said that he is fighting against terrorism. He has also said that he is committed to finding a political solution to the conflict.

### **The Future of Syria**

The future of Syria is uncertain. The Syrian Civil War is still ongoing. It is unclear how the conflict will end. It is also unclear what role Bashar Al Asad will play in the future of Syria.

However, one thing is clear: Syria has been profoundly changed by the Syrian Civil War. The country is now more divided than ever before. It will take years for Syria to recover from the conflict.

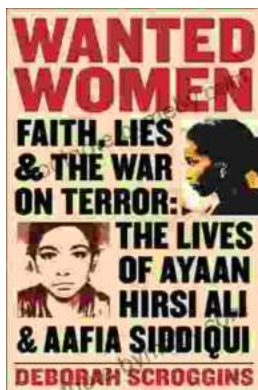

Bashar Al Asad has been the President of Syria since 2000. His rule has been marked by political unrest, civil war, and international intervention. This article has provided a comprehensive overview of Bashar Al Asad's rule in Syria, examining its history, political context, and the ongoing conflicts that have shaped the region.
