King Slater is a brilliant codebreaker who has dedicated his life to keeping the world safe from those who would seek to harm it. But when he's framed for murder, he finds himself thrust into a dangerous game of cat and mouse. With the help of a mysterious woman named Anya, he must race against time to clear his name and uncover a vast conspiracy that threatens the world.

As King and Anya delve deeper into the conspiracy, they uncover a network of corruption that reaches the highest levels of power. They must use all of their skills and resources to stay one step ahead of their enemies, who will stop at nothing to silence them.

Ciphers is a thrilling and suspenseful novel that will keep you on the edge of your seat from beginning to end. King Slater is a complex and compelling character, and his journey to clear his name and save the world is one that you won't soon forget.
