

Dogs As We See Them: Uncovering the Hidden World of Our Canine Companions

Dogs are our loyal companions, our best friends, and members of our families. We love them unconditionally, but do we truly understand them? In her groundbreaking book, "Dogs As We See Them," renowned animal behaviorist Dr. Sarah Wilson takes us on an extraordinary journey into the minds and hearts of dogs, revealing their hidden world and helping us to see them as they truly are.

A New Perspective on Dogs

Drawing from years of research and real-life experiences, Dr. Wilson challenges traditional views of dogs and provides a fresh perspective on their behavior, emotions, and intelligence. She reveals that dogs are far more complex and capable than we ever imagined. They have their own unique ways of communicating, understanding the world around them, and forming deep bonds with humans and other animals.
