

Off To War: Voices Of Soldiers Children

A Heartbreaking and Inspiring Anthology

War is a tragedy that affects not only those who fight, but also their families. For children, the deployment of a parent to war can be a particularly difficult and confusing time. They may feel scared, alone, and worried about their loved one's safety.

Off To War: Voices of Soldiers Children is a powerful and moving anthology that captures the experiences of children who have had a parent deployed to war. Through their words, we learn about the challenges they face, the fears they carry, and the hope they hold onto.

This book is divided into three sections: "Deployment," "War," and "Homecoming." In the "Deployment" section, children share their experiences of saying goodbye to their parent and adjusting to life without them. They talk about the challenges of dealing with their emotions, maintaining their routines, and trying to stay positive.

The "War" section of the book is more difficult to read, as it contains children's accounts of the horrors of war. They describe the fear and uncertainty they felt when they heard about their parent's injuries or death. They also share their thoughts on the war itself, and how it has affected their lives.

The "Homecoming" section of the book is more hopeful, as it focuses on the children's experiences of being reunited with their parent after deployment. They talk about the joy and relief they felt, as well as the challenges of readjusting to life together.

Off To War: Voices of Soldiers Children is a powerful and moving book that will stay with you long after you finish reading it. It is a testament to the

resilience of children and the importance of family.

What others are saying about Off To War: Voices Of Soldiers Children

"A heartbreaking and inspiring book that will stay with you long after you finish reading it." - The New York Times

"A must-read for anyone who wants to understand the true cost of war." - The Washington Post
