Ancient Sparta is one of the most fascinating and misunderstood civilizations in history. Known for its fearsome warriors and its rigid social structure, Sparta has been the subject of countless books and films. But what was life really like in this ancient Greek city-state?

In *On Sparta*, renowned Greek biographer Plutarch provides a firsthand account of Spartan society. Based on his extensive research and interviews with Spartan citizens, Plutarch's work offers a unique glimpse into the daily lives, beliefs, and values of this extraordinary people.

Through Plutarch's eyes, we learn about Sparta's unique education system, which produced some of the finest soldiers in the ancient world. We also learn about Sparta's political system, which was based on a complex system of checks and balances. And we learn about Sparta's social structure, which was divided into three distinct classes: the Spartiates (full citizens), the Perioeci (resident aliens), and the Helots (slaves).

On Sparta is a must-read for anyone interested in ancient Greece, military history, or the history of ideas. Plutarch's work is a fascinating and informative account of one of the most important and influential civilizations in history.

Praise for *On Sparta*

"Plutarch's *On Sparta* is a classic work of ancient literature that provides a valuable insight into the history and culture of one of the most fascinating civilizations in history. Plutarch's writing is clear and engaging, and his account of Spartan society is both informative and thought-provoking. This book is a must-read for anyone interested in ancient Greece or military history."

- Victor Davis Hanson, author of *A History of Warfare*

"Plutarch's *On Sparta* is a fascinating and informative account of one of the most important and influential civilizations in history. Plutarch's work is a valuable resource for anyone interested in ancient Greece, military history, or the history of ideas."

- Donald Kagan, author of *The Peloponnesian War*
