## The most comprehensive and up-to-date motorcycle riding guide on the market

If you're looking to improve your motorcycle riding skills, there's no better resource than Proficient Motorcycling: The Ultimate Guide to Riding Well. This book is packed with expert advice and practical tips on everything from basic riding techniques to advanced cornering and racecraft.

Proficient Motorcycling is a must-read for any rider who wants to take their skills to the next level.

Proficient Motorcycling is written by David L. Hough, a world-renowned motorcycle safety expert. Hough has been riding motorcycles for over 50 years and has taught thousands of riders how to ride safely and skillfully. His experience and expertise are evident in every page of Proficient Motorcycling.

The book is divided into three parts. Part One covers the basics of motorcycle riding, including choosing the right motorcycle, learning how to operate the controls, and practicing basic maneuvers. Part Two focuses on more advanced riding techniques, such as cornering, braking, and acceleration. Part Three covers racecraft and track riding.

Proficient Motorcycling is illustrated with over 500 full-color photos and diagrams. These illustrations make it easy to understand the concepts and techniques discussed in the text.

Proficient Motorcycling is a valuable resource for any motorcycle rider, regardless of their skill level. If you're a new rider, this book will help you develop the skills you need to ride safely and confidently. If you're an experienced rider, this book will help you refine your skills and take your riding to the next level.
