On August 24, 1955, 14-year-old Emmett Till was brutally murdered in Money, Mississippi. Till, who was from Chicago, was visiting his relatives in Mississippi when he was accused of whistling at a white woman named Carolyn Bryant. Bryant's husband, Roy Bryant, and his half-brother, J.W. Milam, kidnapped Till, tortured him, and then shot him in the head. Till's body was found in the Tallahatchie River three days later.

The murder of Emmett Till shocked the nation and helped to galvanize the civil rights movement. Till's mother, Mamie Till Mobley, insisted on having an open casket funeral for her son so that the world could see the brutality of his murder. Till's death became a symbol of the racism and violence that black people faced in the Jim Crow South.

In 2017, Dave Tell published *Remembering Emmett Till*, a powerful and moving account of Till's murder and its lasting impact on the civil rights movement. Tell, a veteran journalist, spent years interviewing Till's family, friends, and witnesses to the crime. He also pored over court documents and other historical records to piece together a comprehensive and nuanced account of Till's life and death.

Remembering Emmett Till is a must-read for anyone who wants to understand the history of the civil rights movement and the ongoing struggle for racial justice in America. Tell's book is a powerful reminder of the brutality and racism that black people have faced throughout history, and it is a testament to the resilience and courage of those who have fought for justice.

Praise for *Remembering Emmett Till*

"*Remembering Emmett Till* is a powerful and moving account of one of the most horrific crimes in American history. Dave Tell has done a masterful job of bringing Emmett Till's story to life and showing how his murder helped to galvanize the civil rights movement." - **Bryan Stevenson, author of *Just Mercy***

"*Remembering Emmett Till* is a must-read for anyone who wants to understand the history of racial injustice in America. Dave Tell's book is a

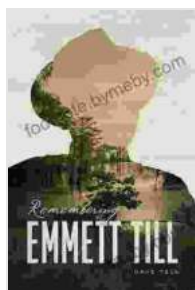

powerful and moving account of Till's murder and its lasting impact on the civil rights movement." - **Sherrilyn Ifill, President and Director-Counsel of the NAACP Legal Defense and Educational Fund**

"Dave Tell has written a definitive account of the murder of Emmett Till and its aftermath. *Remembering Emmett Till* is a powerful and moving book that will stay with you long after you finish reading it." - **Henry Louis Gates, Jr., author of *The Souls of Black Folk***
