King Slater, a former Navy SEAL and marine biologist, is called in to investigate the attacks. But what he discovers is far more sinister than he could have ever imagined. A shadowy organization is using the sharks to terrorize the island's inhabitants and drive them away from their homes.

Slater must race against time to stop the organization and save the island. But to do so, he must face his own demons and confront the horrors that

lurk in the depths of the ocean.

Sharks is a heart-stopping thriller that will keep you on the edge of your seat from beginning to end. With its vivid descriptions, pulse-pounding action, and unforgettable characters, Sharks is a must-read for fans of Clive Cussler, Michael Crichton, and James Rollins.
