The sniper, a former Marine with a ruthless efficiency, operates under the cloak of anonymity, his identity shrouded in mystery. His precision shots, executed from seemingly impossible distances, send shockwaves through the underworld. The mob, once untouchable, now lives in fear, knowing that their time is running out.

Enter Detective Michael "Mick" O'Brien, a seasoned investigator known for his tenacity and unwavering determination. Tasked with tracking down the

elusive sniper, Mick soon realizes that this is no ordinary case. The sniper is a phantom, leaving behind no trace, and the mob is using everything in their power to obstruct the investigation.

As Mick delves deeper into the underbelly of the city, he uncovers a web of corruption and deceit that reaches the highest levels of power. The sniper's motives become more complex, and the line between justice and revenge blurs. Mick finds himself torn between his duty to uphold the law and his sympathy for the sniper's quest for vengeance.

The hunter and the hunted engage in a deadly dance, each move calculated and each step fraught with danger. As the stakes rise, Mick must confront his own inner demons and make a choice that will shape the fate of both himself and the sniper.

With each heart-stopping encounter, the tension mounts until the explosive climax that will determine the outcome of this thrilling game of revenge. Will the sniper's quest for vengeance consume him, or will justice prevail? The fate of the mob assassin hangs in the balance, and the city braces for the final reckoning.
