In *Start Late, Finish Rich*, Bach shares his revolutionary plan for millennials and Gen Z to build wealth and achieve financial freedom. Bach, who is a financial advisor and the author of the bestselling book *The Automatic Millionaire*, argues that it's never too late to start investing. In fact, he believes that millennials and Gen Z have a unique advantage over older generations when it comes to investing.

Here are just a few of the reasons why millennials and Gen Z have an advantage when it comes to investing:

- **They have more time to invest.** Millennials and Gen Z have a long investment horizon ahead of them, which means they have more time to ride out market fluctuations and compound their returns.
- **They have access to more information than ever before.** Millennials and Gen Z grew up with the internet, which gives them access to a wealth of information about investing. They can easily learn about different investment strategies, compare fees, and make informed decisions about their money.
- **They are more likely to embrace new technologies.** Millennials and Gen Z are more comfortable with new technologies than older generations. This gives them an advantage when it comes to investing in new asset classes, such as cryptocurrency and real estate crowdfunding.

In *Start Late, Finish Rich*, Bach provides a step-by-step plan for millennials and Gen Z to start investing and build wealth. He covers everything from choosing the right investments to setting up a budget to saving for retirement. Bach's plan is easy to follow and doesn't require a lot of money to get started. In fact, Bach believes that anyone can start investing, even if they only have a few dollars to spare.

If you're a millennial or Gen Z who wants to start investing but doesn't know where to start, then I highly recommend reading *Start Late, Finish Rich*. Bach's book is full of practical advice and actionable steps that can help you achieve your financial goals.
