

The Island Hopping Digital Guide to the Northwest Caribbean: Part II - The Cayman Islands

Chapter 1: Stingray City - An Unforgettable Encounter

Imagine yourself surrounded by hundreds of graceful stingrays, their velvety wings gliding effortlessly through the crystal-clear waters. At Stingray City, a shallow sandbar just a short boat ride from Grand Cayman, this extraordinary encounter awaits you. Dive into the warm, turquoise sea, where the stingrays gather in large numbers, eager to interact with visitors. Gently touch their smooth bodies, marvel at their playful antics, and capture the memory of a lifetime.

Chapter 2: The Kittiwake Wreck - A Sunken Treasure

Dive into history and explore the sunken Kittiwake, a decommissioned aircraft carrier that now serves as an artificial reef. This 500-foot long vessel, resting in just 50 feet of water, offers a unique underwater playground for divers of all levels. Swim through the ship's corridors, discover its intricate machinery, and encounter a diverse array of marine life that has made the Kittiwake their home.

Chapter 3: Bloody Bay Wall - A Vertical Wonderland

Prepare yourself for a breathtaking dive along the Bloody Bay Wall, one of the most impressive underwater cliffs in the Caribbean. This sheer wall plunges over 1,000 feet into the abyss, creating a vertical wonderland teeming with life. As you descend, encounter colorful sponges, vibrant corals, and schools of tropical fish. Keep an eye out for larger marine creatures, such as sharks, rays, and turtles, that frequent this underwater paradise.

Chapter 4: Eden Rock - A Hidden Gem

Just off the coast of Grand Cayman lies Eden Rock, a small but captivating dive site that reveals hidden wonders beneath the surface. Swim through swim-throughs, explore underwater caves, and encounter playful sea

turtles. The site is also known for its resident green moray eels, which can be spotted peeking out from their rocky hiding places.

Chapter 5: The North Wall - A Coral Paradise

Venture to the North Wall, a vast underwater cliff that stretches for miles along the northern coast of Grand Cayman. Considered one of the best wall dives in the Caribbean, the North Wall is a coral paradise, boasting an incredible variety of hard and soft corals. Swim along the edge of the wall, marveling at the vibrant colors and intricate formations, and encounter schools of fish darting through the crystal-clear waters.

Chapter 6: The East End - Pristine Beaches and Snorkeling Delights

The East End of Grand Cayman is renowned for its pristine beaches and excellent snorkeling opportunities. Don your snorkel and explore the shallow waters of Smith's Cove, where you can encounter a myriad of colorful fish and marine life. For a more challenging snorkeling experience, head to the Devil's Grotto, where you can swim through a series of underwater caves and tunnels.
