This book is a collection of firsthand stories from nurses who worked tirelessly in hospitals, clinics, and nursing homes across the country. They share their experiences of caring for patients who were desperately ill, witnessing the heartbreak of families torn apart by the virus, and struggling to keep their own spirits up in the face of overwhelming odds.

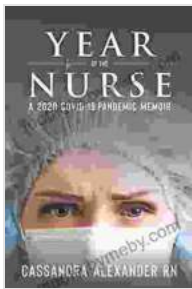

Year of the Nurse is a testament to the courage, compassion, and resilience of nurses. It is a book that will inspire and uplift readers, and it is a reminder of the importance of recognizing and celebrating the work of these everyday heroes.

Here is a sample of the stories included in Year of the Nurse:

- A nurse who worked in a COVID-19 intensive care unit describes the challenges of caring for patients who were struggling to breathe and the heartbreak of losing patients to the virus.
- A nurse who worked in a nursing home shares the story of a patient who was isolated from her family for months and the ways in which the staff tried to keep her spirits up.
- A nurse who worked in a community clinic describes the challenges of providing care to patients who were afraid to seek medical help because of the pandemic.
- A nurse who worked in a school health clinic shares the story of a student who was struggling with anxiety and depression during the pandemic and the ways in which the school nurse helped her to cope.

Year of the Nurse is a powerful and moving tribute to the nurses who worked tirelessly on the front lines of the COVID-19 pandemic. It is a book that will inspire and uplift readers, and it is a reminder of the importance of recognizing and celebrating the work of these everyday heroes.
